If you would like to provide your own photo instead of choosing a free Prestige session at school...

Do not attempt to take your own photo at home.

Lighting and retouching make your portrait special. Taking your photo through the school with Prestige will eliminate submission mistakes and deadline headaches for you.

However, if you would like to pursue a sitting with another photographer, you may do so instead of choosing a Prestige session.

Please make sure that your photographer has and understands the specifications on this sheet and can meet the deadline of October 26. It is your obligation to meet this deadline.

DEADLINES

All portraits are due Friday, October 26.

Please note: you will need to visit the Prestige website before 10/6 using the login they provide you with, to select the photo you want to appear in the yearbook. If you need your login information, please e-mail the yearbook.

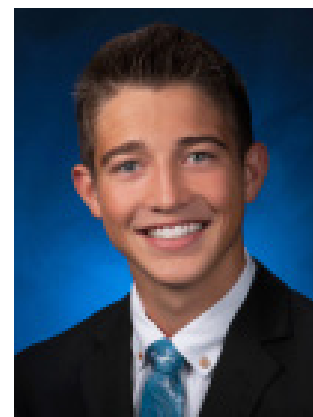

Prestige Portraits is our official photographer. Schedule your appointment now!

Prestige Photographers will waive all sitting fees and senior portraits will be sent directly to the yearbook staff.

- Take your portrait now and order online later http://bit.ly/GBHS_Prestige

This ensures that your senior photo will be published in the yearbook and guarantees a professional photo that will meet the yearbook requirements for background and quality as follows:

- **Overall photo size:** We will crop down to 1.75 inches wide x 2 inches tall. Head size from top of head to chin: approximately 1.25 inches. Photos should leave space around all 4 sides to allow yearbook staff to crop the photo proportionally.
- **Background** is grey, blue, or beige. Black is NOT recommended. Bright colors are not recommended.
- Portraits must be **indoors**, in color.
- **No hands** in the photo and no props
- **Dress** in a neat, respectful fashion. **Men:** collared shirt, tie, and, if you like, jacket. Prestige will provide a tux if you would like. **Women:** dressy top with appropriate neckline that doesn't expose cleavage or shoulders. Prestige will provide a drape if you would like. Cap and Gown will also be available for your own photo package.
- Photo packages will be available for purchase
