Please schedule
your free portrait
session at High
School East:

**THE WEEK
OF JULY 13**

*If you would like to provide
your own photo instead of
choosing a free Prestige
session at school...*

***Do not attempt to take
your own photo at home.***

Lighting and retouching make your portrait special. Taking your photo through the school with Prestige will eliminate submission mistakes and deadline headaches for you.

However, if you would like to pursue a sitting with another photographer, you may do so instead of choosing a Prestige summer session.

Please make sure that your photographer has and understands the specifications on this sheet and can meet the deadline of October 1st. It is your obligation to meet this deadline.

DEADLINES

**All portraits are due
Thursday, October 1st.**

Please note: you will need to visit the Prestige website before October 1st, using the login they provide you with, to select the photo you want to appear in the yearbook. If you need your login information, please e-mail the yearbook.
